

Infinite Campus Parent Portal Navigation

This is your Parent Portal home screen. Use the tabs on the left to navigate, or choose a student from the top list.

Use the District ID to download the Mobile App and receive grades/attendance notifications on your phone!

Messages from your students' school(s) will appear here as well as any teacher messages.

Household Information displays the current address and phone number on file for your household. You can request an update to this information by clicking the "Update" button. Address changes must be made in person at a student's school.

Family Members will display all members of your household, the relationships between them, and their contact information. You can also request to update relationship information from this screen.

Calendar will display all student assignments and attendance events (such as absences or tardies) for all students in the family. Assignments and attendance events can be clicked on to reveal further details.

Student Screens

If you select a student from the list at the top, this screen will appear.

The tabs on the left will allow you to view information for this student.

Attendance allows parents to track student attendance.

Transportation shows bus stop information.

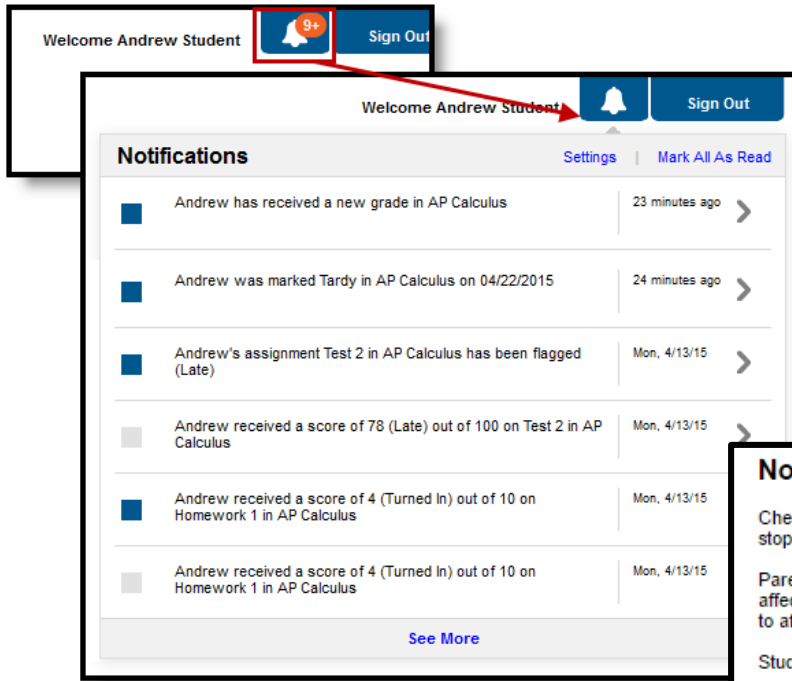

Click here

Grades will show recently graded assignments, as well as in progress and final term grades. Click on the name of the course to see detailed assignment information.

Reports will allow you to run a list of all missing assignments the student has.

Notifications (In the Portal Only)

In the Portal, parents and students have the option of receiving notifications for attendance, and score and grade changes. Access notifications through the bell icon at the top of the Portal.

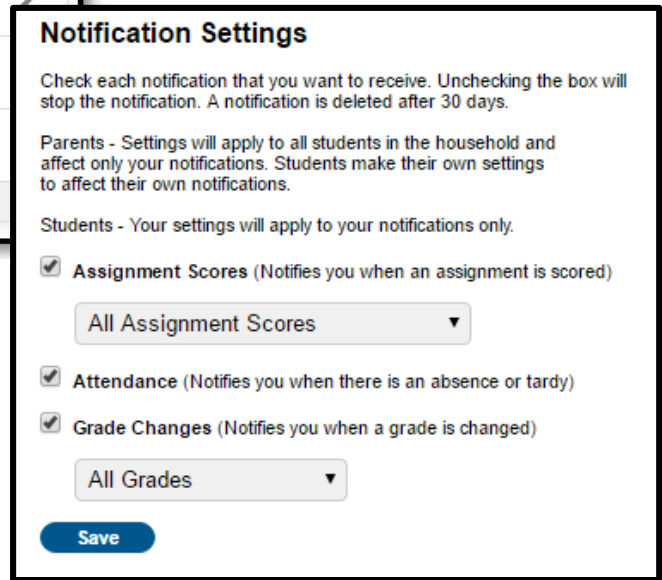

Click the notification to go to the related area of the Portal, such as Attendance or Grades.

The blue box next to a notification indicates if you've read the notification or not.

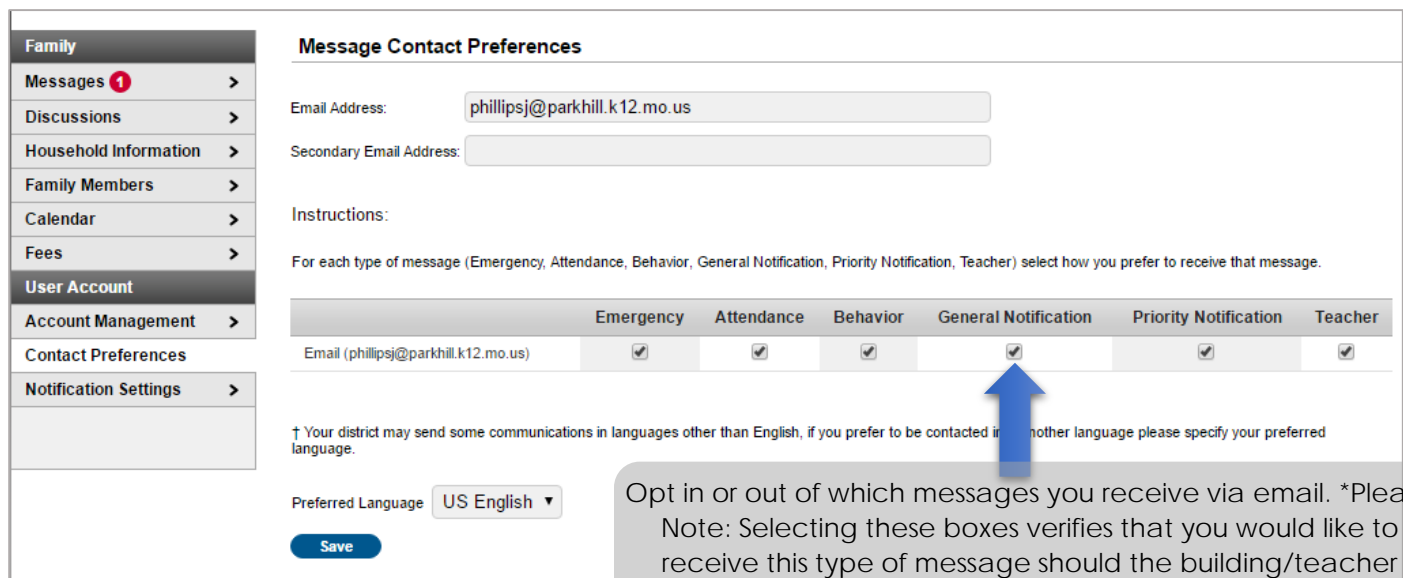

Notification Settings

This is where you can opt-out or set thresholds for notifications in the Portal.

Contact Preferences (For Email Notifications)

It is important for users to have up-to-date contact information that can be used by Campus Messenger to distribute timely information to parents. Users should verify that contact information is correct and then indicate which types of messages should be directed to each email address.

Opt in or out of which messages you receive via email. *Please Note: Selecting these boxes verifies that you would like to receive this type of message should the building/teacher choose to send one.

If you need assistance with setting preferences or viewing student information, contact your student's school. If you are experiencing technical Difficulties, contact the Help Desk at 816-359-5000.
