Getting Started with your Schoology Parent Account

Get Your Activation Code

To set up your account, you will need your one-time Parent Access Code. This code will give you access to all courses in which your student is enrolled. Please note that not all teachers utilize Schoology or utilize it to the same extent.

1. Visit the Infinite Campus Parent Portal at <https://ic.parkhill.k12.mo.us/campus/portal/parkhill.jsp>
2. **Select a Student** from the menu at the top
3. Select **Schoology Parent Access** from the left hand menu. There you will find the Schoology Parent Access Code for student selected. There will be a separate code for each child in the family.

The screenshot shows the Infinite Campus Parent Portal interface. At the top, there is a navigation bar with a 'SELECT A STUDENT' dropdown menu (marked with a red circle 1) and a 'Sign Out' button. Below the navigation bar, the user's name 'Samantha' is displayed, along with a list of menu items: Calendar, Schedule, Responsive Schedule, Attendance, Grades, Transportation, Fees, To Do List, Reports, Demographics, Schoology Parent Access (marked with a red circle 2), and Technology. The 'Schoology Parent Access' section is expanded, showing a table with one row: 'Attribute Parent Access Code' and a corresponding 'Value' (marked with a red circle 3).
